Technology

Creativity

Community

Footer: my name, university, course and year

Professional: resume above three-column lab cards.

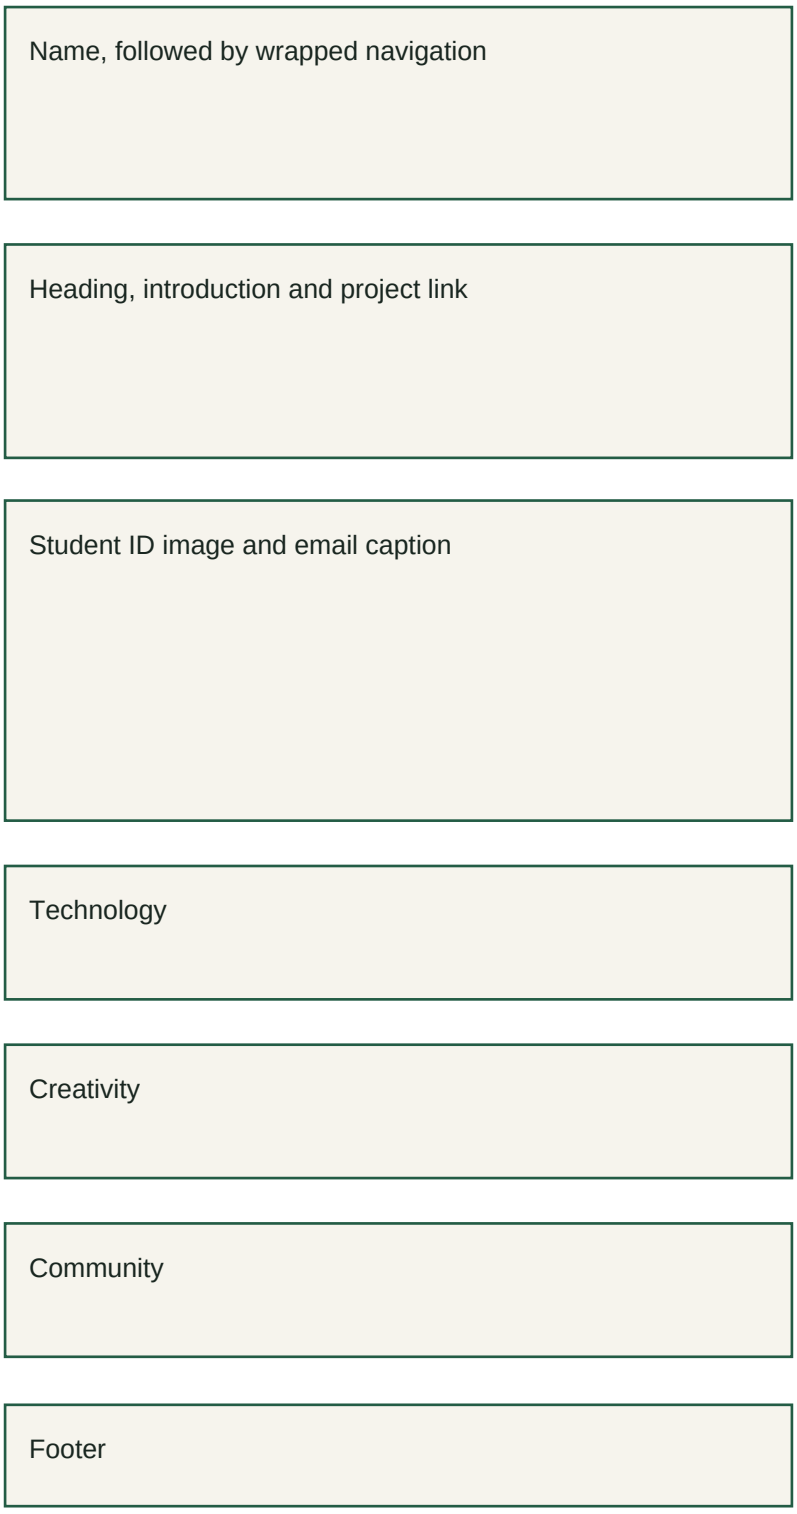
Personality: stacked trait, hero and essay sections.

Development: chapter bookmarks, notes, reflection and references.

Labs: shared navigation, exercise content and return link.

Mobile storyboard

600px viewport; layout also adapts to smaller phones.



Articles, forms, lab cards and CSS exercise regions stack vertically.

Wide timetable content uses horizontal scrolling inside its container.

Breakpoints: 699px for stacked layouts; 949px for two-column cards.

Design and asset list

Plain HTML5 and CSS3. No JavaScript, framework, icon library or external font.

Typography: Arial, Helvetica, sans-serif. Root size 16px and weight 400. Brand and headings use weight 700. Main heading size adapts between 2.2rem and 4rem; mobile heading is 2.5rem.

Palette: the main interface uses ink, paper, green, gold, white and pale borders. The lab layout exercises use additional border colours from the worksheet diagrams.
